TOOL SOLUTIONS FOR WIND POWER

A DIFFERENT APPROACH

TO TOOL SOLUTIONS FOR WIND POWER

BLADE INSTALLATION	4-5
LUBRICATION	6-10
ON-SITE POWER	11
SPECIAL TOOLS FOR BOLTING	12 - 15
CONTAINERS & TRAILERS	16 - 17

Blade installation

Turner gear

Model	Item number
Turner gear, Type 19523 Siemens 2.3	350013
Turner gear, Type Siemens 3.6 - 3.0	350356
Turner gear, V82 19409	350213
Turner gear, V66 - V100*	350042
Turner gear, for V66 - V100*	350042
Turner gear, V100 Aux Motor	350078US
Turner gear, V36 - V47	350060

Blade installation

Pitch pumps

Model	Item number
Pitch pump, DH Type 18041	350341

Lubrication

GreaseManager, High flow

Model	Item number
GreaseManager High Flow, 110V US ISO B	351058
GreaseManager High Flow, 110V CEE ISO B	351059
GreaseManager High Flow, 230V Schuko ISO B	351060
GreaseManager High Flow, 230V CEE ISO B	351061
GreaseManager High Flow, 110V US ISO A	351062
GreaseManager High Flow, 110V CEE ISO A	351063
GreaseManager High Flow, 230V Schuko ISO A	351064
GreaseManager High Flow, 230V CEE ISO A	351065

Lubrication

GreaseManager, High pressure

Model	Item number
GreaseManager High Pressure, 110V US ISO B	351050
GreaseManager High Pressure, 110V CEE ISO B	351051
GreaseManager High Pressure, 230V Schuko ISO B	351052
GreaseManager High Pressure, 230V CEE ISO B	351053
GreaseManager High Pressure, 110V US ISO A	351054
GreaseManager High Pressure, 110V CEE ISO A	351055
GreaseManager High Pressure, 230V Schuko ISO A	351056
GreaseManager High Pressure, 230V CEE ISO A	351057

Lubrication

Accessories

Model	Item number
Gate Valve Mounting Piece	350648
Cartridge adaptor GreaserManager	351136
PIN-kit for cartridge adaptor - 270 mm	350701
PIN-kit for cartridge adaptor - 420 mm	351223
Top for adaptor	162363
Remote Control	351069
Coupling for flushing ISO 7241-1-B	351066
Coupling for flushing ISO 7241-1-A	351067
Comes standard with all GreaseManagers for flushing when changing grease type.	300003
Adaptor, ISO converter, 1/4" female ISO 7241-1B / 1/4" male ISO 7241-1A	300004
Adaptor, flat nippel Adator 4 claw HZ mouthpiece	300005

Lubrication

Accessories

Model	Item number
3M Hydraulic Hose 1/4" - Quick coupling 1/4" female ISO 7241-1A (Shell Rhodina)	300006
5M Hydraulic Hose 1/4" - Quick coupling 1/4" female ISO 7241-1A (Klüber)	300007
3M Hydraulic Hose 1/4" - Quick coupling 1/4" female ISO 7241-1A (Shell Stamina)	300008
5M Hydraulic Hose 1/4" - Quick coupling 1/4" female ISO 7241-1A (SKF)	300009
10M Hydraulic Hose 1/4" - Quick coupling 1/4" female ISO 7241-1B	161778
10M Hydraulic Hose 3/8" - Quick coupling 1/4" female ISO 7241-1A	350816
10M Hydraulic Hose 3/8" - Quick coupling 1/4" female ISO 7241-1B	350947
4M Hydraulic Hose 3/8" - 330bar, Quick coupling 1/4" female ISO 7241-1B	350698

Lubrication

Accessories

Model	Item number
Set (VWS)	300010
Adaptor, ISO converter, ¼" female ISO 7241-1B / ¼" male ISO 7241-1A	300003
Adaptor, flat nippel	300004
Adaptor, 4 claw HZ mouthpiece	300005
5M Hydraulic Hose - ¼" - 225bar, ¼" female quick coupling ISO 7241-1A (Klüber)	300006
3M Hydraulic Hose - ¼" - 225bar, ¼" female quick coupling ISO 7241-1A (Klüber)	300007
3M Hydraulic Hose - ¼" - 225bar, ¼" female quick coupling ISO 7241-1A (Klüber)	300008
3M Hydraulic Hose - ¼" - 225bar, ¼" female quick coupling ISO 7241-1A (Klüber)	300009
Set (SGRE)	350697
4M Hydraulic Hose ¾" - 320bar, ¼", female quick coupling ISO 7241-1B	350698
Gate Valve Mounting Piece	350648
¼" male nippel for quick coupling ISO 7241-1B	412727

On-site power

Fuel cell

Model	Item number
Fuel cell, F/ temporary aviation light	N/A

Special tools for bolting

Bolt cleaners

Model	Item number
Bolt cleaner, M30, Effective length 260mm (8,4")	350526
Bolt cleaner, M30, Effective length 360mm (12,5")	350530
Bolt cleaner, M36, Effective length 260mm (8,4")	350527
Bolt cleaner, M36, Effective length 360mm (12,5")	350531
Bolt cleaner, M42, Effective length 260mm (8,4")	350528
Bolt cleaner, M42, Effective length 360mm (12,5")	350532
Bolt cleaner, M48, Effective length 260mm (8,4")	350529
Bolt cleaner, M48, Effective length 360mm (12,5")	350533
Bolt cleaner, M56, Effective length 260mm (8,4")	350596
Bolt cleaner, M64, Effective length 260mm (8,4")	350597

Special tools for bolting

Replacement brushes for bolt cleaners

Model	Item number
1 Pack Brush Insert, M30	350542
1 Pack Brush Insert, M36	350544
1 Pack Brush Insert, M42	350546
1 Pack Brush Insert, M48	350548
1 Pack Brush Insert, M56	350599
1 Pack Brush Insert, M64	350601
4 Pack Brush Insert, M30	350554
4 Pack Brush Insert, M36	350556
4 Pack Brush Insert, M42	350558
4 Pack Brush Insert, M48	350560
4 Pack Brush Insert, M56	350600
4 Pack Brush Insert, M64	350602

Special tools for bolting

Stud bolt kicker

Model	Item number
Studbolt kicker 1150mm	120092
Studbolt kicker 1600mm	120098

Special tools for bolting

Stud bolt setters

Model	Item number
Stud Bolt setter M12	160049
Stud Bolt setter M16	160033
Stud Bolt setter M18	160039
Stud Bolt setter M20	160034
Stud Bolt setter M24	160035
Stud Bolt setter M30	160014
Stud Bolt setter M36	160012
Stud Bolt setter M39	160036
Stud Bolt setter M42	160037

Tool containers & trailers

Containers & trailers

Model	Item number
20ft tool container	N/A
40ft tool container	N/A
Tirak trailer	N/A

Tool containers & trailers

Tower covers

Model	Item number
Top cover for tower section, Ø5100 - 4900	350624
Top cover for tower section, Ø4700 - 4500	350625
Top cover for mid3 tower section, Ø4500 - 4300	350626
Top cover for mid2 tower section, Ø4300 - 4100	350627
Top cover for top tower section, Ø3100 - 2900	350628
Top cover for tower section, Ø3700 - 3500	350638
Top cover for top tower section, Ø5300 - 5100	350783
Top cover for top tower section, Ø4100 - 3900	350781
Tightenning tool for top cover	350772

OTHER

Model	Item number
Tagline Rope, 180m	30018

360° WIND POWER TOOL SOLUTIONS

SUPPORT

Based on decades of engineering expertise, a lean manufacturing platform and a unique service concept, we supply the wind industry globally with plug-and-play solutions for tools and equipment. Always aiming to minimize your Total Cost of Ownership.
